Work Experience

Product Designer → Product Manager

Aug 2025 - Present
Livermore, CA

Ronbow | High-End Custom Cabinetry & Home Products

- Designed kitchen cabinetry products and smart LED lighting systems, balancing user experience, technical integration, and premium residential aesthetics.
- Developed material display kits and exclusive sample books, translating complex product options into clear, cohesive tools for designers, clients, and sales teams.
- Collaborated with suppliers and cross-functional teams to develop customized products, refine design requirements, and bring new product concepts from evaluation through implementation.

Founder & Industrial Designer

Dec 2024 - Present
Brooklyn, NY

Hyperion Design Studio

- Founded an independent design studio providing end-to-end product design services to startups, from early-stage concept development to final design delivery.
- Built and led a three-person design team, managing client communication, design direction, task allocation, and delivery across multiple commercial projects.

3D Printing Technician

Feb 2025 - May 2025
Brooklyn, NY

Pratt Institute

- Conducted 3D printing training sessions for 20+ students, ensuring proficiency in FDM, SLA printing, and slicing software.
- Researched and tested new printing techniques and materials, developing 10+ functional test models as educational tools for the 3D Lab.

Product Designer & Project Manager

Feb 2022 - Aug 2023
San Jose, CA

Morethanhugs | Online Mental Health Counseling Platform

- Established and managed the company's product department, resulting in a 200% increase in sales revenue.
- Designed and developed the official company website.

Awards & Projects

IDEA Design Awards 2024 – Finalist

Dec 2024
IDEA Gallery

Designed a sustainable product using recycled coffee grounds that was selected as a finalist and showcased in the IDEA Gallery online.

Honda Design Workshop

May 2024
New York, NY

Applied AI tools to streamline and innovate the industrial design process during an intensive industry workshop.
